When she was just a child, Heather’s life was altered by an accident that all but destroyed her internal organs. The doctors gave her no chance— but with God’s grace, she proved them wrong. When they said she would never walk, she defied them again. And though they insisted she could never have children, she did. When others said no…God said yes.

More than a story of suffering and survival, Heather’s life is a testament to the power of faith. From the first decisive moments after the accident, Heather and her mother were able to give their fear and panic to God, and trust Him to act as a source of strength in their lives. With her husband DeWayne and her daughter Mackenzie—the two greatest miracles in her life—Heather has found great joy, and many reasons to give praise. This is her amazing and inspiring true story.
