Forty quotes from the greatest motion pictures...and 900 movie-related clues to solve before you can figure them out These acrostics will provide both film lovers and wordsmiths with hours of pleasure. The unforgettable lines come from movies old and

new, famous and a touch obscure; the clues cover performers, directors, plots, titles, and more. Just write the answers down on the blanks, then transfer the letters to the correspondingly numbered boxes in the grid. To help you out, the initial letters of the answer words spell out the speaker of the quote and the movie it's from. Each puzzle is rated by difficulty on a star system: one for Easy Rider; two for Semi-Tough; three for Flirting with Disaster; and four for Mission Impossible
