Interchange Third edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Interchange Third Edition Level 2 Student's Book builds on the foundations established in Level 1 for

accurate and fluent communication, extending grammatical, lexical, and functional skills. Topics such as travel, childhood, customs, personality, and predicaments are presented in unique ways using interesting real-life information. The Student's Book contains 16 teaching units, frequent progress checks that allow students to assess and monitor their own learning, and a listening self-study section.
