Puzzle master Liza Kelly must sharpen her pencil-and her wits-to solve a calculated killing. Second in the Sudoku mystery series--from the author of "Death by Sudoku." Taking on the role of publicist puts Liza in the center of the action on the production of the film "Counterfeit," where inflated egos and artistic temperaments clash both on set and off. But when one of the film's major players is found dead, Sudoku Maven Liza realizes that the numbers don't quite add up. Now it's up to her to investigate the cast and crew in order to determine just who wrote this death scene.
