The playful quartet that penned the acclaimed Once Upon A Dyke and Stake Through the Heart are back and now turning to the Wild (and Very Hot) West to bring you

another collection of erotically charged, action-packed, tales--this time gleefully taking on cowboys, school marms, shake-oil salesmen, saloon girls, preachers, bank robbers and lone gundykes. With the turn of each page, you'll wonder who the hero is, who the villain is, and who gets the girl--and if it's even the right girl!

You'll thrill as they reinvent the myths of the old west with a decidedly lesbian slam dunk, weaving tales of saloons, horses, bank robberies, sheriffs, cattle rustlers, guns and very tight corsets and loose women. You'll find enough romance, passion, intrigue, thrills, chills, hair-breath escapes, hot-and-wet sex, and death-defying acts of selfless love to leave you breathless and waiting for more...
