" Our Late Night is] a short play, but a savage one...Neurosis, panic and sexual surrealism underlie Shawn's startling vision of New Yorkers at play."-Guardian Wallace Shawn's OBIE Award-winning, never before published Our Late Night premiered in New York in 1975 under direction of AndrA(c) Gregory, and was revived in London in 1999 under direction of Caryl Churchill. A Thought in Three Parts-currently out of print-created an uproar with its 1977 London premiere, investigated by the vice squad for its allegedly pornographic content. Wallace Shawn is a noted actor and writer. His politically charged and controversial plays include Aunt Dan and Lemon, The Designated Mourner, and The Fever.
