装帧:Paperback

isbn:9780131946385

A classic for over twenty-three years *Civilizacion y cultura de Espana* is an excellent resource for introducing intermediate or advanced students to the richness of Spanish Civilization and Culture. Unique in its coverage, the Fifth edition provides a

chronological approach to the civilization and continuously changing culture of Spain by presenting its political, social, economic, and religious history. The text also incorporates new information about the regional divisions of Spain and its modern-day political organization.
