A century of unrest equals ten decades of change. "The Highest Price for Passion" reflects one hundred years of the most volatile era to divide American soil, interspersed with the uncontrollable fervor from the most unlikely of sources -- when both master and mistress vie for the affections of a slave too beautiful to destroy, with a quiet intelligence neither can outwit. Discover a time when the concept of family paled against the principle of human bondage. Fight for the cause. Die for the freedom...to live, to choose, to love. Unyielding. Uncompromising. Undeniable. These are the qualities that make "The Highest Price for Passion"...unforgettable.
