Subtle depictions of future worlds, of stark contemporary settings and alternate realities are some of the wonders of Warren's imagination. From science fiction to fantasy and eerie, soul-shaking horror. Warren's words will reverberate in all of us. What is there to enjoy in this collection? A profound vision of a future, perhaps dismal without hope, horror that makes your spine feel pierced by hundreds of rings, a smattering of bodily fluids, a few feminist themes, a clear and penetrating vision, the clarity of which is unearthly. Clever, sometimes funny, morbid and at times racy. You'll find all of this in Kaaron Warren's work.
