From the reigning queens of vegan baking, this is a cookbook that elevates the latest dessert trend - pies and tarts - to a whole new level of delicious. With "Vegan Pie in the Sky", Isa Chandra Moskowitz and Terry Hope Romero continue their vegan world domination mission and elevate pie and pastry to delicious new heights. In this mouthwatering cookbook, you'll find 75+ recipes for pies, tarts, crumbles, crisps, cobblers, betties, and more. And if you don't know what pandowdy is, well, now you will! Recipes range from the old classics, like Mom's Apple Pie, to the new classics, like Salted Pecan Caramel Pie. Fruity, chocolaty, nutty and creamy, "Vegan Pie In The Sky"

has it all, dairy-free and egg-free. A chapter on crusts reveals the secret to perfect traditional pastry crust made vegan, as well as nut-based, gluten-free, and chocolate-cookie variations. Luscious ice creams, toppings, and sauces make your pie a showstopper. There are even convenient 'handheld' recipes for anyone in need of a last-minute dessert, treats to hand out at a party, or pie on - the go. With colour photos and the authors' irreverent commentary throughout, "Vegan Pie in the Sky" is the modern baker's bible for pastry that is out of this world.
