Love Finds You in Snowball, Arkansas So what if she can't hook a fish? This city girl has a plan to snag something else...and his name is Justin. Lucy Binoche is reasonably attractive, intelligent, and fit. She has French lineage and better-than-average hair. So why is she nearly 30 and still single? Justin Gerard is the rugged hottie new to her churchs singles group. When he signs up for a camping trip in the Ozarks, Lucy loses no time writing her name on the line beneath his. Theres only one problem: Lucys idea of quot;roughing itquot; is suffering through a long line at Starbucks. She assumes she can rely on the grace of God and the assistance of her friend to get through. But at the campsite in Snowball, Arkansas, Lucy bungles everything she attempts as she tries to impress Justin. She cant fish, hike, or ride a horse; caves make her hyperventilate; and hot-air balloons make her ill. Soon, events are snowballing out of control. Will Lucy pretend to be someone shes not just to snag a boyfriend? Or will she discover someone who loves her just as she is? Love Finds You is a series of full-length romance novels that give readers a peek into the flavor of local life across the United States. The novels are uniquely named after actual American towns with quirky, interesting names that inspire romance and are just plain fun This means that each fictional story draws on the compelling history or unique character of a real place. Our fresh, original love stories will feature everything from romance kindled in small towns, to old loves lost and found on the high plains, to new loves discovered at exciting vacation getaways.
