The False Messiah is Volume I of a monumental history of the Israel-Palestine conflict, Zionism: The Real Enemy of the Jews, by a seasoned reporter with a vast first-hand knowledge of the Middle East. It is the first book to put the struggle for Palestine into its global context-to show how all the pieces of a complicated jig-saw puzzle fit together. It's also the first ever account of events to address the motives, needs, and dilemmas faced by all sides: diaspora Jews' real fear of Holocaust II; the Palestinian right to justice and self-determination; the legitimate anger of the Arab masses at American support for Zionism right or wrong; and the inevitable corruption and repression of the regimes of the existing Arab Order who, fearing harsher Israeli assaults, have tried to contain them. As a former BBC Panorama and ITN Middle East correspondent, Alan Hart knew and interviewed most of the main players in the Israel-Palestine conflict (Golda Meir, Moshe Dayan, Shimon Peres, Yasser Arafat and other PLO leaders, George Habash, Nasser, King Hussein of Jordan, King Feisal of Saudi Arabia, and many others). He also exhibits a wealth of research into a full spectrum of viewpoints, to unearth how and by whom the levers of US policy in the Middle East have been pulled from pre-creation of Israel to the end of the Clinton era. Hart takes us well beyond the existing written record, weaving events play by play/player by player, prying out the motivating factors and sequences of events which the surface flow of official histories leave uncovered, where, truly, the devil is in the details. This series is key to understanding US/Israeli relations as developed over the long term, and who has been the primary determiner of policy in the region.
