Now you can find freedom and relief from alcoholism and addiction. After suffering through over 10 years of his son's addiction and many failed attempts at recovery, Chris Prentiss needed a solution. Together, he and his son Pax created a program that saved Pax's life and is saving people's lives today at the Passages Addiction Cure Center in Malibu, California. The Alcoholism and Addiction Cure contains the breakthrough three-step holistic program to total recovery that is the basis of the

There are thousands of people who want to enter the treatment program but cannot afford the price or cannot take the time from work or home to travel to Passages.
