"Kanji Cards" have been a standout bestseller on how to read and write the Japanese

language for many years for good reason-they provide ease of use, efficient organization and a large amount of data packed into compact cards. An integral and essential element for anyone serious about the study of Japanese, "Kanji Cards Volume 3" picks up where Volumes 1 and 2 left off. There is still a focus on fundamental characters, but Volume 3 covers the more advanced characters learned thereafter, thus completing the study of kanji in the Japanese language. Consisting of a complete boxed set of flash cards, "Kanji Cards Volume 3," along with Volumes 1 and 2, are a perfect investment for anyone interested in learning Japanese quickly and easily.
