A large and useful vocabulary has long been regarded as a measure of personal effectiveness and an essential tool for getting ahead. Success expert, Denis Waitley understands that every time one of his listeners expresses himself more clearly and convincingly, that listener rises above his competition. Now Waitley, one of America's most popular motivational speakers, inspires his enormous self-help audience to improve their lives by improving their vocabulary with "Word Master". This dynamic program features: 500 vocabulary words that are pronounced, spelled, defined, and used in context; tools listeners need to make their new words work for them; and synonyms exposing listeners to over 1,500 more words that they want to know.
