"English for Academic" "Purposes": introduces the major theories, approaches and controversies in the field; gathers together influential readings from key names in the discipline, including: John Swales, Alistair Pennycook, Greg Myers, Brian Street and Ann Johns; and provides numerous exercises as practical study tools that encourage in students a critical approach to the subject. Written by an experienced teacher and researcher in the field, "English for Academic Purposes" is an essential resource for students and researchers of Applied Linguistics.
