装帧:

isbn:9780822562580

Introducing new readers to some of history's most interesting and important people, these biographies focus on the pivotal episodes that show what kind of person the subject is (or was) and how he or she came to be famous. Although written in a story

format, these books are not fictionalized accounts. A chronology of major events follows the story, along with a brief summary of the subject's life.
