This October, Warner Faith will publish a comprehensive work that captures the essence and scope of a longtime bestselling author. Over the last 30 years, Joyce Meyer has taught on hundreds of topics, authored over 70 books, and conducted 20 conferences each year. Her television program is broadcast to two-thirds of the globe, and her radio program is broadcast on hundreds of stations around the world. She is

one of the most recognized and respected Bible teachers in the world today. The Everyday Life Bible takes the wealth of Joyce's teaching and weaves it into the amplified version of the Bible the same version she uses on her program. Inside the pages of the Everyday Life Bible, readers will experience the opportunity to study Scripture as if Joyce were sitting next to them precept by precept. Not only will they learn more, they will be able to share this new understanding with family and friends in a practical and down-to-earth manner. This Specialty Bible contains five standing features and will be published in two formats: bonded leather and hardcover. For years audiences have watched Joyce Meyer deliver powerful messages while holding the source of her inspiration, the Bible. Now the EVERYDAY LIFE BIBLE can inspire them, too.
