Grappling took the world of martial arts by storm in the early 1990s with the advent of the UFC and other no-holds-barred events, and quickly became one of the most popular fighting methods in the world. In *Grappling Masters*, through conversations with historical figures such as Helio Gracie, Gene LeBell and Wally Jay, and numerous current world-class masters such as Rorion Gracie, Gokor Chivichyan, Oleg Taktarov, Rickson Gracie and Mike Swain, the many threads of grappling learning, legend and lore are woven together to present a complete and integrated view of this eclectic art of fighting, philosophy, and self-defense. For the first time, interviews with some of the world's top grappling masters have been gathered together in one book. No matter how well you think you know these masters, you haven't truly experienced their wit, wisdom, and insight until you have read *Grappling Masters*.
