THE DARK SHORE Was it an accident that befell Sophia, millionaire Jon Tower's first wife, that weekend in Cornwell? Sarah Hamilton, on her honeymoon with Jon, finds dreams of a bright future turning into a nightmare replay of those mysterious events ten years before, which led to Sophia's death. THE WAITING SANDS Out of the blue, dependable Rachael Lord is invited to Ruthven - a fairy tale Scottish castle - and the inheritance, on coming of age, of her friend Decima. A 21st birthday celebration is planned although the atmosphere is anything but festive. CALL IN THE NIGHT From half way round the world Clare Sullivan obeys a desperate summons from her glamorous sister Gina and flies to Paris. But once arrived, there is no Gina. Her trail leads to Garth Cooper - a boyfriend of Gina's - who seems to have a terrible secret to hide. What sinister reason could explain Gina's disappearance?
