What would you do if your pet ant escaped from her ant farm? Would you follow her? Even if you had promised your mama to eat your pie, and drink your milk, and stay in your cozy burrow? Scritch. Scratch. Scritch. Alfred digs. And digs. And digs. Where is Itty Bitty? And what will happen when Alfred finds her? In this tour de force of a picture

book, Lindsay Barrett George introduces an aardvark (or two), an ant (a troublemaker, really), and an adventure that takes place in a dictionary. Where? A dictionary. Read on!
