Was Jesus born of a virgin? Did he know he was the Messiah? Was he bodily resurrected from the dead? Did he intentionally die to redeem humankind? Was Jesus God? Two leading Jesus scholars with widely divergent views go right to the heart of these questions and others, presenting the opposing visions of Jesus that shape our faith today.

Marcus的文章平易近人，Wright的文章艱難晦澀……

One of the textbooks for my historical Jesus class. This book is a collection of essays between Wright and Borg and their opinions on the "Christ in history" vs. "Christ in faith." I got shocked when I read Borg's arguments--it is hard to believe he still claims himself a Christian with so many outlandish ideas against orthodox Christian teaching.
