by Parnell Worthington Not all of those arrested for DUI are serial, heavy drinkers. With new laws, many social, casual drinkers are discovering that they are on the front lines in the War on Drunks. Drinking, Driving, and Surviving: Uncovering the secrets of DUI avoidance is a provocative look at the lengths a group of motorists will go to avoid drunk driving arrests. The book explores the strategies and maneuvers that these "masters" employ to reduce the odds of DUI and DWI arrests--from the model of car they drive, to where they park; from when they decide to hit the road, to the way they comb their hair!
