isbn:9780748625093

This is the first study devoted to Sylvia Plath's fiction. Plath wrote fiction throughout

her life, in a wide variety of genres, including women's magazine romances, New Yorker stories, comedy, social criticism, autobiography, teenage fiction and science fiction. She wrote novels before and after *The Bell Jar*. Discussing all these novels and stories, and based on research in the three major archives of her work, this book is the complete study of Plath's fiction. The author analyses her influences as a fiction writer, the relationships between her poetry and fiction, the political views she expresses in her fiction, and devotes two chapters to the central concern of her novels and stories, the roles of women in contemporary society.

两天读完一本monograph 主要还是因为材料都很熟悉不过是个老材料重新组合罢了 讲到institution of psychiatry很有用 而且能和去年读的homeward bound又联系在一起 (顺便又挖到一些普拉斯的猛料哈哈哈哈哈)
