Accuracy and completeness of detail have characterised the Ontario Legal Directory since 1925, when the first annual edition of the Toronto Legal Directory was published. With over 30,000 listings of lawyers, law firms, federal and provincial courts, and government offices, each complete with names, addresses, telephone and fax numbers, e-mail and web addresses, the Ontario Legal Directory places all the information you need right at your fingertips. The Blue Pages put government and courts information right up front, organized in easy-to-find categories with thumb-tab indexing.
