When mike longridge gets himself in trouble yet again, he is given a choice: juvenile detention or an outdoor program called Explore. He opts for Explore, but soon finds himself wondering how he is going to survive ten months with the hippies and keeners in the program. He's never felt so out of place and is certain he will never get the hang of the outdoor activities. Will Mike go back to his old trouble-making ways or will he finally find a place to belong? Christy Goerzen has been telling stories since the age of two. Her poetry and fiction have been published in various periodicals. "Explore" is her first novel. Christy lives in Vancouver, British Columbia, with her husband and two cats.
