The Moleskine 18 Month Twin Set is made by a trendy red cover Weekly Planner from July 2009 to December 2010 plus a red Volant notebook, together in a practical pocket size. The perfect union to have the week at a glance and a notebook, with 48 blank pages to fill, of which 4 vertically perforated and 32 sheets for exchanging messages. In the inside pocket there is an insert with 24-page archive and 225 adhesive labels to mark important dates and deadlines. This Moleskine planner is thread bound and has a red cardboard bound cover with rounded corners, acid free paper, a bookmark, an elastic closure and an expandable inner pocket contains the Moleskine history.
