From the bestselling author of *Savages* (now an Oliver Stone film).

As cool as its California surfer heroes, Don Winslow delivers a high velocity, darkly comic, and totally righteous crime novel. Every morning Boone Daniels catches waves with the other members of The Dawn Patrol: four men and one woman as single-minded about surfing as he is. Or nearly. They have "real j-o-b-s"; Boone, however, works as a PI just enough to keep himself afloat. But Boone's most recent gig—investigating an insurance scam—has unexpectedly led him to a ghost from his past. And while he may have to miss the biggest swell of his surfing career, this job is about to give him a wilder ride than anything he's ever encountered. Filled with killer waves and a coast line to break your heart, *The Dawn Patrol* will leave you gasping for air.
