Designed for kids aged 8 and up, this musical language CD will help children and

teenagers get excited about learning and develop new language skills. "Start-Up" uses the format of a radio show to teach children a foreign language through songs, interviews, contests and much more. Various music styles such as rock, pop and hip-hop make learning easy, enjoyable and memorable and in just 1 hour it covers all the basics - from meeting up to getting around, from shopping to celebrating. It is ideal to listen to with friends, in the car or while hanging out at home. The accompanying 44-page booklet includes a complete script, cool lyrics and the top words and phrases. It's time to "Start-Up" your language learning with Berlitz!
