This fascinating account is the principal source for a number of momentous political developments leading up to the millennium. These include struggles among the Carolingians, the rise of the Saxon dynasty in Germany, and various Viking and Magyar raids. Academics please note that this is a title classified as having a restricted allocation of complimentary copies; complimentary copies remain readily available to adopters and to academics very likely to adopt this title in the coming academic year. When adoption possibilities are less strong and/or further in the future, academics are requested to purchase the title at an academic discount, with the proviso that University of Toronto Press will happily refund the purchase price (with or without a receipt) if the book is indeed adopted.
