Whether you need to know what shoes to wear with a mini skirt or how to dress for an interview, this book has it all. You'll learn how to choose fabrics and cuts that flatter your figure, strike that murky balance between underdressing and overdressing, and create a striking silhouette that looks elegant but not contrived. With remedies for any fashion disaster and advice on styles, accessorizing, and shopping, 1001 Little Fashion Miracles offers ideas for looking your best in all circumstances.
