It's a fact of life: men wear sweaters. And hats. And vests. So why do so few knitting books offer patterns for men's clothing? Finally, Rowan, the name that knitters trust, has expertly gathered dozens of easy-to-follow patterns that are perfect for stylish men of all shapes and sizes. Page after page of eye-catching designs detail fun, fashionable

and, of course, masculine sweaters, vests, hats and much more that will keep men toasty no matter what the weather. "Knitting for Him" is the perfect pattern collection for male knitters and the women who love to knit for them.
