isbn:9781851685363

From beginning to end, the captivating story of Sophie Scholl and the White Rose is an uplifting and enlightening account of the largely untold story of German resistance to the Third Reich. With details of Scholl 's arrest and trial before Hitler's Hanging Judge, Rol and Freisler, and including the leaflets that the White Rose circulated throughout the German population, this volume is an invaluable addition to World War II literature. And it is a fascinating window into human spirit. The animated narrative reads like a suspense novel.
