When boys and girls delve into the contents of this kit they enter a Dragonas World,

where fire-breathing creatures lurk in every corner. A fascinating, color-illustrated book is enclosed, and points out the meanings of the kitas other dragon-related items. Kids open the book, titled " The Dragon Masteras Tale, " where they meet a young knight named George, and join in on his perilous quest. George and his small dragon friend are searching for their missing parents, but their journey brings them into battle against dragons called Wicked Wyverns, fearsome Frost Dragons, and the dreaded Knucker. This magical box contains everything kids need to join young George and his little dragon friend on their dragon-fighting quest. Items include a dragon masteras sword, a dragonas tooth, a dragonas claw, a dragonas egg, a dragon masteras ring, and a hoard of brightly colored jewels. Hereas a fascinating combination of legendry and fun to spark kidsa imaginations.
