A fun, colorful tool for teaching young children about God's creativity and his love for all children, near and far. Every Child Everywhere celebrates children as reflections of the joy and creativity of God. Bright illustrations and joyful narrative teach young children that though we are all different, uniquely designed by God, certain undeniable similarities unite us--things like play, family, and imagination. This book will touch young hearts with Christ's compassion and help children connect to children of other cultures. While informing readers about God's creativity, it inspires confidence that the love of Christ can be expressed across cultures. This confidence will embolden children and families to step out of their comfort zones into the lives of others who need

Christian friends. Every Child Everywhere is a tool to pass on a global awareness to our children today, so they may make a difference in the world tomorrow.
