BEATRIX POTTER, move over. Here is a children's book to delight everyone-the continuing saga of "The Bunnies," told by someone young enough to know it, old enough to spoof it. Only instead of Flopsy, Mopsy, and Cottontail, you've got Knuzzle, Krouch, and Relacks, members of the infamous Nickname Club, and the wonderful Bunny family-Papa, Mama, the sons Cool and Baby, and the daughters Twinkle and Sparkle. It's the story of everyday life in Furrific Town, with voice-over by the author. It's an imaginative story-book filled with wit and humor that will delight the parents as well as the children. So, as Baby Bunny would say, "Yo Yo Yohoho " And so we begin: "There are many towns inhabited by only bunnies. And bunnies only. But we're not talking about all the towns. We're just zooming in on one little house in one little town called Furrific Town. And the family of bunnies in the little house that we're talking about is no ordinary family."
