This comprehensive band and border design reference belongs in every crocheter's library! Updated with all-new diagrams and full-color photography, it offers a whopping 342 patterns, from classic favorites to originals found nowhere else. Use them to put the perfect finishing touch on any woven, knitted, sewn, or other handcrafted project—including clothing and household textiles. Each band and border

comes complete with a photo of the stitch and reader-friendly instructions; diagrams display each stitch in the band or border, as well as its placement, so you can understand the entire design at a glance. A pictoral index features every pattern in its entirety, and beginners who need a little help with their stitches will appreciate the illustrated directions for all the basics.
