Sometimes, stepping off the expected path is the right thing to do, even if it feels emotionally and financially scary. That’s how Bob and Melinda Blanchard got to live the life they love—and why they, and others who knew it was time for a change, are here to reveal how they found their happiness. In this invaluable, life-altering manual, real people tell their stories: how they transformed their lives to get more time with the people they love, more opportunities to do the things that really matter, and, more from their jobs than just a paycheck. In addition to the enticing accounts of success and renewed joy, the Blanchards provide practical advice so everyone can make their move.
