As welterweight boxer, Eddie Cero makes his way home through a dark Philadelphia alley, he steps in on two punks beating up an older man. It's a favour that's going to turn Eddie's life upside down. Sal Giambroini buys Eddie a round and offers him a part-time gig helping with his private-detective work. Despite Eddie's reluctance, a few days on the job reveal that he has a knack for snooping - and then he stumbles onto a cold case involving a missing soul singer. A music lover with a budding interest in the singer's attractive, talented sister, Eddie finds himself involved in a violent, twisted story of betrayal and intrigue, power and passion - all set to the beat of rock and roll.
