Nikon's smallest digital SLR - a sister camera to the D40 with even more megapixels and a few minor feature changes - combines a 10.2-megapixel CCD with a simple, intuitive operation designed so that everyone can successfully take great, high-resolution pictures. With this "Magic Lantern Guide[registered]", proud new owners of this wonderfully portable camera will be able to take full advantage of its cutting-edge digital technologies, including the great viewfinder that helps even beginners improve their composition, the large LCD monitor, wide viewing angle, invaluable built-in Help Menu, superb resolution power that assures good printing quality, and Nikon's exclusive 3D Colour Matrix Metering II system.
