Designers Carmen Webber and Carmia Marshall, aka Sistahs of Harlem, have created a sensation with their fabulous blend of street couture and uptown chic, seen in the pages of many fashion magazines and on the backs of the most style-conscious fashionistas. In "Denim Mania" Carmen and Carmia teach you to make twenty five of their hottest designs, with patterns and instructions so easy you can start the project in the morning and wear it out that night. With their unique blend that transform your

denims, both old and new, into fabulous tops, bottoms, jackets, and accessories. A mixture of urban street fashion and high Parisian style - their designs reflect a fusion of many influences from the sassy street style of New York City to distant world cultures. Full colour photographs, how-to illustrations, sketches, and complete step-by-step instructions accompany each project "Denim Mania" shows you how to transform basic blue jeans into denim couture in no time at all - so you can make it today and wear it tonight!
