Strange As This Weather Has Been follows several members of the family, with a particular focus on fifteen-year-old Bant and her mother, Lace. Working at a scab” motel, Bant becomes involved with a young miner while her mother contemplates joining the fight against the mining companies. As domestic conflicts escalate at home, the children are pushed more and more outside among junk from the floods and felled trees in the hollowsthe only nature they have ever known. But Bant has other memories and is as curious and strong-willed as her mother, and ultimately comes to discover the very real threat of destruction that looms as much in the landscape as it does at home.
