Deep Cover Captured, tortured, and nearly executed...just another day on the job for Logan Chambliss and Dragon One. Their mission: clean up a highly sensitive mess the CIA made in Venezuela involving the country's marked vice president. Too bad the plan went belly up--then downhill with the appearance of a gutsy, gorgeous, take-it-or leave-it female Logan just happens to know intimately. And who should be dead... Tessa Carlyle should never have answered the phone. There she was, going native in Fiji for her job as a National Geographic location scout when a voice from her past crashes her perfect life. Threatened with blackmail, her only choice is to help a man she despises--to help a man she never forgot. But her unlikely resurrection puts her directly in the crosshairs of a ruthless killer... From the rain forests of Venezuela to the streets of Caracas, Logan and Tessa will have to negotiate a twisted trail of deceit and betrayal. At stake is the fate of two nations and a deadly threat that could kill millions... And time is running out...
