Doing a favor for a friend has Charlotte cleaning rooms at the New Orleans Jazzy hotel, a historic Garden District mansion. The hotel is serving as a home-away-from-home for Shreveport's chapter of the Red Scarf Sorority, a group of socially elite women in their forties. When a young women named Lisa is found strangled, apparently with a red scarf, the police arrest Sorority member Tessa Morgan, whose husband was having an affair with Lisa. But Charlotte has her doubts. The hotel is awash in suspects, and Lisa had more enemies than friends. It's time for Charlotte to start scouring through clues before the real villian makes a clean getaway...
