It was supposed to be your average stakeout. My partner and I would scope out both the coffee shop and Laurel Wilkins, the latest target of con man Trevor Dean's scheme to meet women online and bilk them of their money - and everything else. So she knew my name - Russ Evans - and hugged me like we were more than friends. So what the \$ No. @ is going on? At least she's willing to offer herself up as bait. All I have to do is keep her safe - and keep my hands off. Anything else would be against the rules. And oh so tempting...
