Celebrate the move from a crib to a big bed! Chip! Chip! Baby sea turtle grew too big for her shell.

And you grew and grew until you were too big for your mother's tummy. A little boy learns that the animals around him—at the beach, at the zoo, and on his family's small farm—are growing bigger and bigger. He is growing too, and soon he leaves his crib for his very own big bed! From debut author Rita M. Bergstein comes this encouraging story—paired with gentle, luminous illustrations by Susan Kathleen Hartung—about an important milestone in a child's life.
