Moon Spotlight Navajo and Hopi Country is a 60-page compact guide covering two of the largest Native American reservations in the Four Corners region of Utah, Colorado,

Arizona and New Mexico. Author Julian Smith offers seasoned advice on what sights are must-sees and includes maps with sightseeing highlights, so planning your time is easy. This lightweight guide is packed with recommendations on sights, entertainment, shopping, recreation, accommodations, food, and transportation. Helpful maps make exploring this dramatic region of the southwest uncomplicated.

Moon Spotlight guides are affordably-priced, lightweight guides covering a smaller geographic region than Moon Handbooks or Outdoors guidebook series. The travel content in a Spotlight guide is pulled directly from individual chapters of larger Handbooks or Outdoors titles, with no introductory information (such as When to Go or Planning Your Trip), and no indexes. The result is compact guides to popular destinations that provide travelers with what they need to explore a specific locale in depth with fewer pages of very focused information.
