著者:Oliver, Michael

出版者:Palgrave Macmillan

出版时间:2009-9

装帧:Paperback

isbn:9780230220287

Review of the first edition: '...a valuable contribution to the debates about our understanding of disability and the position of disabled people in society.' - Gerry Zarb, Equalities and Human Rights Commission, UK In this absorbing text by a leading writer and respected activist, theory, policy, historical background and personal experience are combined to give readers a rich and illuminating picture of the key issues raised by disability. In the author's uniquely clear and lively narrative style, the book explores: a- the practical and political challenges that disablement presents a- theoretical understandings of disability a- disability law and the realities of policy implementation a- key points of contention for the disability movement. This long-awaited new edition of a best-selling text includes new stories from the author's experience, as well as sharply framed debate about the development of policy over the last decade and a half. Its expansive coverage includes discussion of welfare, rehabilitation, special education and normalization. This book is core reading for students of social work, nursing, health and applied social science taking modules in disability studies. Michael Oliver was the first Professor of Disability Studies in the United Kingdom and is Emeritus Professor of Disability Studies at the University of Greenwich, UK. He is the author of the path-breaking *The Politics of Disablement* and *Social Work with Disabled People* (in its third edition, co-authored with Bob Sapey).
