Unlike other books on this fascinating topic, *The Power of Body Language* is your practical, personal playbook for getting what you desire from others -- and zoning in on what others are saying to you without words. Once you know the hidden meaning behind specific gestures, facial cues, stances, and body movements, you will possess a sixth sense that can be a life-changing, career-saving, trouble-shooting skill you will never leave home without! Learn how to: Take control of your own secret signals Gain trust -- and detect untrustworthiness Ace a job interview Shake hands (the right way) Make a dazzling first impression Exude confidence -- even when you're not feeling it Recognize if someone is lying Understand why men and women "speak" a different language Read a face to know a person's inner emotional state...and much more. In an insightful and engaging narrative, Tonya Reiman analyzes all of the components of body language -- the languages of the face, the body, space and touch, and sound. She shows you how to become a Master Communicator with The Reiman Rapport Method, a surefire system for building an instant connection with anyone, in any situation. And she shares the experiences of her clients, from executives to politicians to relationship seekers: Learn from Cindy, a confident and ambitious manager who turned her career around by altering the subconscious messages she was sending her male colleagues...and Peter, the wedding DJ whose client list blossomed as soon as he practiced the art of social smiling!
