出版时间:2007-8-24

装帧:Hardcover

isbn:9780742552241

Ellingsen critically examines how modern American politics relate to Jesus' vision of love and peace, questioning how Republican policies fit with the Christian values they espouse. He shows how people, regardless of political party, can embrace true Christian essentials in a way that authentically appeals not only to liberals but mainstream and even conservative Christians.
